# APPLE VALLEY AIRSHOW & NAPA CAR SHOW 2026 EXHIBIT SPACE APPLICATION / RULES

This application constitutes an agreement between the County Service Area 60 ("Apple Valley Airport" and the exhibiting company whose name appears on this application (hereinafter referred to as "Exhibitor"). The following rules and regulations constitute an agreement for exhibiting at the Apple Valley Airshow under the following terms and conditions:

We the undersigned do hereby submit for the reservation of display space as an Exhibitor at the Apple Valley Airshow, subject to conditions and regulations governing the event and its production, including, but not limited to, the terms set forth within this and accompanying documents.

Apple Valley Airport reserves the right to accept or refuse rental/lease or display space to any company, organization or person whose display of goods or services is not, in the sole judgment of the Apple Valley Airport, in the best interest of Apple Valley Airport. This express reservation includes, but is not limited to, persons, items, printed matter, or conduct that are not consistent with the character and objectives of the event.

Exhibitor understands and agrees that this application is for display space only, which is provided in its "AS-IS" condition, and that Apple Valley Airport will not provide any booth or furniture, or electricity, water, any other utility, trash collection, or any other service. Exhibitor further agrees to leave the booth space in completely clean condition after the Apple Valley Airshow, and to remove all trash, structures, and any other items introduced on the booth space during the Apple Valley Airshow, regardless of how or by whom such structures, trash, or other item is introduced into or on the booth space. Exhibitor agrees to not make any permanent marks, paint marks, or allow any damage to the pavement, turf, or other surface which Exhibitor occupies under this contract.

Apple Valley Airport reserves the right to make changes, amendments and additions to these rules as considered advisable for the proper conduct of the event, with the provision that all Exhibitors will be advised on any such change. Any matters not specifically covered are subject to decision by Apple Valley Airport. Exhibitor agrees to follow all directions and orders of any officer of any police agency, and of any authorized representative of Apple Valley Airport, promptly and completely.

## Financial Terms

Apple Valley Airport accepts cash, checks, credit/debit cards or money orders. Applications must be received by Friday, Aug. 28, 2026. No refund will be made unless written notice of cancellation is received by Apple Valley Airport prior to Aug. 28, 2026.

If event is not held, Exhibitor's payment will be refunded. Should the event be canceled, postponed, curtailed or abandoned, refunds, and/or compensation are limited to the amount already paid for the space by the Exhibitor for this particular event. No refund, damages or compensation will be issued if the event is canceled, postponed, curtailed or abandoned due to an act beyond the control of the Apple Valley Airport.

## Space Assignment

No space will be assigned until full payment of space fees has been received. Booth space will be assigned on a first-come, first-served basis. Apple Valley Airport will make reasonable efforts to assign Exhibitor requested space as available; however, Apple Valley Airport reserves the right to move the location of any exhibit booth at any time to ensure an even flow of traffic or to maintain the theme of the event. Booth assignments are not final until Exhibitor checks in at the event.

## Subletting of Booth Space

Exhibitors may not sublet any portion of their assigned exhibit space. The assigned exhibit space is solely for use by the Exhibitor whose name appears on this contract and may not be assigned, transferred or occupied by any other person, company, organization, unless permission is granted by Apple Valley Airport. Violation of this provision will subject exhibitor to removal from the event and forfeiture of all fees paid for booth space.

The Exhibitor, upon execution of this contract, expressly releases and agrees to indemnify and hold harmless the foregoing named parties, individuals and employees for any and all claims for such loss, damage or injury. Any and all restrictions and/or levies enforced or imposed by Apple Valley Airport must be honored by Exhibitors.

All Exhibitors, their agents or employees, shall be responsible for any injury or defacing to the ceiling, walls or floors of the event grounds or to the booth and/or equipment of other Exhibitors and all damage caused at the Apple Valley Airport.
